

## Notice to the Market

**MMX Mineração e Metálicos S.A. ("MMX")**, the only Brazilian iron ore mining company with integrated logistics listed on the Novo Mercado segment of the BM&FBovespa exchange, informs its shareholders and the market in general that Mr. Ricardo Assef resigned, on this date, as an Officer without any specific designation responsible for the Financial area of the Company. Mr. Ricardo Furquim Werneck Guimarães, current Officer without any specific designation responsible for the Commercial area of the Company, will temporarily cumulate the position responsible for the financial department of the Company in replacement of Mr. Ricardo Assef, as deliberated by the Board of Directors today.

Mr. Ricardo Furquim Werneck Guimarães is graduated with a degree in Economics from Universidade Federal do Espírito Santo and with a MBA in International Business from Fundação Getúlio Vargas. He has more than 15 years of experience in commercial department of the mining industry, having launched MMX in the seaborne iron ore market in 2006. He remained at MMX until 2008, when he was transferred to Anglo American as a result of the sale of assets in Minas-Rio and Amapá. During his career, he also held positions in Vale, Nova Era Silicon, Companhia Siderúrgica Tubarão, Anglo American and he returned to EBX Group in 2012, holding the position of the General Manager in charge of the strategic planning department of LLX Logística S.A.

Rio de Janeiro, August 5<sup>th</sup>, 2014.

Carlos Roberto de Castro Gonzalez  
Chief Executive Officer and Investor Relations Officer  
**MMX Mineração e Metálicos S.A.**

## **About MMX:**

MMX, an EBX group mining company, was established in 2005. The Company produces about 7 million tons of iron ore per year. Recently, the Company concluded negotiations to sell 65% of Porto Sudeste do Brasil S.A. (previously named MMX Porto Sudeste Ltda.), a port terminal under construction in Itaguaí, in the State of Rio de Janeiro. As of end-2014, the Company will have guaranteed access to transoceanic markets for the iron ore produced in Serra Azul Unit, in Minas Gerais. Currently, MMX is currently reviewing its business model. For more information, visit the website: <http://ri.mmx.com.br>
